TRAILER NARRATOR

...the Starship Q Star is on a journey across the galaxy in search of a new home.

A gentle river bubbles nearby and strange alien birdsong is heard in the distance.

SOLARIS

Maybe don't put your arm in -

A squelching sound of an arm going inside a giant flower, then a PUFF of particles.

SOLARIS (CONT'D)

Oh, too late!

Bob coughs and sputters.

BOB

It pollinated over me. What an honour!

--

Alarms blare on the bridge of the ship.
